

Dude You Gotta Move! – Biomes PBL

Step 3 – Make a decision.

- 1- As a group – discuss you findings on individual biomes
- 2- Use a [decision matrix](#) to sort through your choices
 - a. Each group member must create their own decision matrix
 - b. You must use a spreadsheet in Excel for this part of your project
 - c. Mr. Harwood will show you Wednesday, November 12th on your laptop
- 3- Compare your decision matrix results, and choose the biome that received the most points
- 4- List the reasons for your selection
