

**Dude You Gotta Move! – Biomes PBL**

## Step 4 – Explain your choice

- 1- As a group, decide how you would like to present your choice (see examples).
- 2- Determine what each group member will contribute to the presentation
- 3- Divide and conquer!

## Examples of Presentation Projects:

A set of pamphlets/brochures one about each biome you considered. (Apple's Pages & MS Word have free templates)

A [video or live commercial](#) "selling" your biome choice

A computer based presentation like [Apple's Keynote](#), [Prezi](#) or other [software options](#) comparing and contrasting the biomes you considered and explaining your final choice.

A web site about the different biomes you considered

Report cards for each biome considered

Posters on each biome - [Poster Tips](#)  
([Make a poster using Excel](#) - teachertube video)

In the case of each project type - Be sure to explain your choice for your new home and explain why you preferred that biome.

Remember:

1. Give facts
2. Give your choice
3. Explain and support your choice
4. Take credit and [give credit](#)
